

# RIO TINTO KENNECOTT COPPER

Bingham Canyon Next Pushback Order of Magnitude Study  
Bingham Canyon Integrated Skarns Order of Magnitude Study

Study Management Services provided by Merit Consultants International

*Rio Tinto Kennecott Copper selected the integrated team of Merit Consultants, Cementation USA, Cementation AG (Cementation) and Moose Mountain Technical Services (MMTS) to deliver study management, estimating, scheduling, and project execution planning services for the Bingham Canyon Next Pushback Order of Magnitude Study.*

*In a separate award, Merit Consultants and Cementation USA (Cementation) will provide study management and estimating services for the Bingham Canyon Integrated Skarns Project Order of Magnitude Study. Both awards demonstrate the integrated teamwork within the Cementation companies and the strong working relationship between Cementation and MMTS.*
